Guides' Training Course At Brant February 14-15

The High River Girl Guide Division is holding a Training Course for Brown and Blue Guides, also for association members on Friday and Saturday, Feb. 14-15. Mrs. Leitch, the Divisional Commissioner, is in charge of this course. Miss Riddick, the Provincial Field Commissioner will be present, also the Provincial Commissioner, Mrs. Walter Schlosser.

The program is as follows:

Friday—
2:00 p.m.—General meeting of Local Association members and all Guides.
3:30 p.m.—Tea
4:00 p.m.—Question Period from Guides.
5:30 p.m.—Supper.
7-10 p.m.—Guides Training.
Saturday—
9:30 a.m.—Brown Guides training
12:00 p.m.—Lunch.
1:00 p.m.—Further Sessions.
4:30 5:30 p.m.—Tea and question hour with requests for special help.

Mrs. A. A. Leitch of High River has been appointed Division Commissioner to replace Mrs. V. Moore of High River, the commissioner for the past three years. She asks for co-operation in this work from all Guides and local association members in order to live and fulfill the objectives of the Guide movement. The local association says:

"Together let us be loyal to the Brownies, Guides and Guide Movement, without your loyal and immediate response to this and all needs for Guiding, we can do absolutely nothing. At this time it is appropriate to bring into our memory Feb. 22, joint birthday of the founder, Lord Baden Powell of Gilwell and Lady Baden Powell, World Chief Guide each year on Thinking Day. The Guide and Scout movement throughout the world gives special emphasis to International Friendship. A little thought to help us on our way is Lord Baden Powell's last message: "I believe that God put us in the Jolly World to be happy and enjoy life. Happiness doesn't come from being rich, nor merely from being successful in your career, nor by self indulgence. One step towards happiness is to make yourself healthy and strong while you are a boy or girl so that you can be useful and so enjoy life when you are a man or woman. But the real way to get happiness is by giving out happiness to other people. Try and leave this world a little better than you found it and when it comes your turn to die, you can die happy in feeling that at any rate you have not wasted your time and have done your best. "BE PREPARED" in this way, to live happy and to die happy. Stick to your promise always — even after you have ceased to be a boy or girl and God help you do it."

SOIL DRIFTING—EMERGENCY CONTROL MEASURES

(By D. T. Anderson, Agricultural Engineer, Lethbridge Experimental Farm)

The soil drifting that has taken place on dry and irrigated farm lands in southern Alberta since the last week of November, 1957, has been one of the severest occurrences of the last twenty years. Emergency control measures, if not already carried out, should be undertaken at the first opportunity. Past experience has shown that the months of April, May and June are the most hazardous from the stand-point of weather conditions conducive to drifting. Soil drifting can not be checked by hoping for a change in the weather. The odds are against winning a gamble of this nature. Serious damage to the fertility of our soils can be prevented only by each farmer undertaking suitable control measures.

Emergency control measures are based on three principles. The first is to provide a protective cover. Small focal points from which soil has drifted can be protected by spreading straw or manure over the area. This measure, if utilized in the early stages of drifting, can frequently prevent trouble over an entire field.

The second principle is to re-

District Scout Council Officers Are Elected

A. H. Collier of Vulcan has been the first commissioner of the newly formed Lake McGregor District Scout Council.

An election meeting of the various towns which form the district was held in the Vulcan Scout-Guide Hall on Jan. 28, when officers and executive members of the Scout District were elected, with Field Commissioners H. Dell of Calgary and Ron Vincent of Lethbridge in charge of the meeting.

Officers elected were Roy Deal of Vulcan, president; J. W. Ellis of Champion, first vice-president; Robert Umschied of Milo, second vice-president; Mrs. Frank Hess of Vulcan, secretary-treasurer. Members of the executive are W. Blackie, Arrowwood; W. Miller, Carmanay; S. Marks, Armada; L. King, Arrowwood; R. Bertrand, Milo; F. Teskey, Carmanay; G. Stokes, Armada.

Some 50 representatives from all groups in the district attended the meeting and it was decided to affiliate with the Southern Alberta Scout Region.

Meetings of the newly-formed council will be held the fourth Tuesday in the months of January, March and May, with the annual meeting to be held in October.

High School Basketball News

On Friday evening, Feb. 7, the Vulcan gym was the scene of an exhibition game when the Vulcan Royals and Royals were host to the High River basketball clubs. These were the first competitive games the High River teams had ever played and they conducted themselves very well even though Vulcan emerged victorious.

The High River girls suffered a 36-4 defeat at the hands of the Royals. Pat Paris led the winners with 12 points. Jean Ann Matlock 7, Kathleen Haverty 6, Helen Haverty 6, Jean Harold 3 and Kathleen Knive 2, completed the tally.

High River's scoring was led by Valerie Violini with 2 points. The other points were scored by Betty Bietz and Sharon King with 1 point each.

The Royals emerged 46-26 victors over their High River counterparts in the second game that evening. The Royal scorers were Blain Middleton 16, Errol Smith 11, Jay Scott 9, Ken Orchard 4, Dave Saxby 2, Don Houlton 2 and Ron Hilz 2.

Rick Wallace was High River's top scorer with 12 points. Bob Miller 10 and Dick Irwing 4, netted the remainder.

Al Psika, assisted by Blain Middleton and Lorne Nichols, refereed both games.

The Vulcan Students' Union are holding their Valentine Ball, Cupid's Caper, on Friday, Feb. 14, at 9:00 p.m. Everyone welcome.

establish the cloddy structure of the surface soil. On frozen soils this can best be done with a heavy duty cultivator utilizing chisel points on shanks spaced at intervals of two to three feet. An alternative is to use a one-way disk with all but every fourth disk removed from the arbour bolt. Under non-frozen soil conditions the heavy duty cultivator or a similar implement may be used to roughen the soil and bring clods to the surface.

The third principle is to trap moving soil particles on the field. This is accomplished by listing the soil at right angles to the prevailing wind. Lister shovels spaced about three feet apart on a cultivator or the one-way lister can be used for this purpose. Listing is required on fields that are covered with dunes of drifted soil, or under other conditions where it is not possible to create a lumpy soil surface.

Experience has shown that soil drifting can be brought under control on any field by the adoption of one or more of the proven remedial measures. Clods or lumps of frozen soil are subject to continuous breakdown by the weathering forces which helped initiate the present situation. We must inspect our fields periodically throughout the remainder of this winter and next spring and be prepared to take further action whenever necessary.

Agricultural Short Course Next Week

The annual agricultural short course sponsored by the Vulcan District Board of Trade will be held Monday and Tuesday, Feb. 17-18, in the I.O.O.F. Hall.

A very good program of speakers has been arranged and the complete program is advertised elsewhere in this issue of the Advocate.

Monday noon, the annual dinner meeting of the Board of Trade will be held and guest speakers will be Robert L. Greer, president and Hugh H. Michael, vice-president of Western Canadian Seed Processors Ltd., Lethbridge. Tickets for the luncheon are available at either drug store.

Couples Club Meets

On Wednesday evening, Feb. 5, the hall of the Vulcan United Church was attractively decorated in a Valentine motif with members of the Couples' Club acting hosts to High River and Granum Clubs.

During the evening games, dancing and musical entertainment were enjoyed by all. Those assisting in the program included Ray Flitton of Champion who rendered guitar selections along with his daughter Linda Gay and son Garry. Mr. Flitton also played the accompaniment for his children to display their talents in tap dancing.

A male quartette consisting of Arthur Jones, Albert Collier, Stuart Campbell and Skez Christensen also delighted the party with several selections and were accompanied at the piano by Mrs. Bob Jamison. Doug Galbraith presented some of his amusing monologues. Ken Sparks of High River Club assisted greatly in making the party such a success by bringing along his amplifier and also called some square dances for the crowd to enjoy.

At the conclusion of the delicious luncheon which was served buffet style, Art Davidson of High River expressed thanks on behalf of his club for the invitation as did Ross Giles on behalf of the Granum Club. Bob Kerruish replied to the votes of thanks and it is hoped that the clubs will have more opportunities of joining together in the future.

Following adjournment the hostess and committee served a delicious hot supper to the members of the F.U.A. and F.W.U.A. Members of both locals then held a joint session to discuss a questionnaire from head office on live-stock marketing.

Mrs. Dave Sim was the winner of the tea draw. The next meeting will be held at the home of Mrs. Ed Richardson on March 5.

THE WEATHER

The weather remains similar to that of last week, with daytime temperatures of 10 to 15 above, dropping to about zero at night.

Legionaires Get Two Weekend Wins

(Peter Pickersgill)

The Vulcan Legionaires went through their second weekend of hockey Sunday with a win in each of the two games played, giving them three wins and a tie in current play. The Alberta Government Telephone team were the first victims Friday night as they fell under a 10-8 attack while in Sunday's fixture the losing club was the Ingewood Junior "B" team from Calgary, who went behind in the third period to wind up on the short end of a 9-7 count.

The local club went into Friday's game short of players and were still seeking "bodies" on which to throw a uniform almost at game-time. The A.G.T. boys got in their best lines in the first periods and looked like sure winners with a 5-4 lead but they dropped behind 7-5 in the middle frame. They seemed to have geared themselves for a 40 minute game and disintegrated in the third period under constant fire from the Legionaires.

An open breakaway by Jordan brought Vulcan to a 9-8 lead and he came back to drive home the extra goal before the closing whistle. Jordan, who travels from Champion and has seen action with Nanton Palominos of the Bix Six, kept up his high scoring average with four goals, followed by Mensinger and Wright with a pair each and the singles went to Gorbous and Walker. Ken Wright joined Ken Jesse in the temporarily-retired ranks as he received a leg injury in the final 20 minutes and missed Sunday's tilt.

Few penalties were handed out in the game, the most serious being a 10-minute misconduct to an overly voluble Calgary defence-

Leonard Jones New President Berrywater FUA

Leonard Jones was elected president of the Berrywater F.U.A. Local 1203 at the annual meeting held Feb. 5, at the home of Mr. and Mrs. Lee Richardson. Allan Sinclair was named vice-president and P. J. Haslam secretary-treasurer. Directors for the ensuing year are Frank Love, Lee Richardson, William Sharp, Archie Oldfield and Pete Silbernagel.

The retiring president, Lee Richardson, was accorded a hearty vote of thanks for his services to the local over a period of years.

Following adjournment the men joined the ladies of the F.W.U.A. at the home of Mr. and Mrs. Len Jones for a delicious supper.

FWUA Meeting At Berrywater

The regular meeting of the Berrywater F.W.U.A. was held at the home of Mrs. Leonard Jones Feb. 5, with the president, Mrs. Archie Oldfield in the chair. Sixteen members answered roll call with "A Country I Would Like to Visit."

Mrs. Bill Sharp and Mrs. Bob Gerding volunteered to find an eligible candidate from the district to enter in the Junior F.U.A. Queen contest, for Farm Young Peoples' Week, to be held from June 17 to 27. This event is held annually at the University at Edmonton.

Mrs. W. Oldfield read an interesting bulletin in Co-operation and Mrs. Bill Sharp dealt with Social Welfare.

Several decisions reached by the executive were announced by the president and approved by the meeting.

A letter from the District Home Economist was read and the secretary was instructed to contact her for a demonstration in the near future.

It was decided to hold a telephone card party, the date to be agreed upon by the hostesses who are Mrs. Leonard Jones, Mrs. Bob Gerding, Mrs. Ed Richardson, Mrs. A. Oldfield and Mrs. Joe Gerding.

Mrs. W. Oldfield, the representative to the Vulcan and District Library then reported on that group's activities.

Following adjournment the hostess and committee served a delicious hot supper to the members of the F.U.A. and F.W.U.A.

Members of both locals then held a joint session to discuss a questionnaire from head office on live-stock marketing.

Mrs. Dave Sim was the winner of the tea draw. The next meeting will be held at the home of Mrs. Ed Richardson on March 5.

Young People Form Hi-C Club

Some 29 young people met in the Vulcan United Church Hall on Sunday morning at 9 a.m. to partake of a breakfast meeting in an effort to form a "Hi-C" Group in the church.

This enthusiastic group conducted an election of officers which resulted in the following slate being appointed: President, J. A. Scott; co-president, Kathleen Knive; secretary, Sylvia Salvage; treasurer, Margaret Giles; Grade Representatives, Linda Grant and M. Weringa. The officers elected were representatives of school grades 8, 9, 10 and 12 and the directors were named from grades 7 and 11.

It is the intention of the group to hold breakfast meetings the second and fourth Sundays and the first and third Tuesday evenings of each month. The next meeting will be held on Shrove Tuesday at which time the group plan to attend the Pancake Supper, sponsored by the Couples' Club of the church following which they will attend the showing of a film in the church entitled, "Split Level Family."

PC's To Organize Regional Assoc.

A public meeting will be held in the I.O.O.F. Hall, Vulcan, Wednesday, Feb. 19, at 2:30 p.m. for the purpose of organizing a regional Progressive Conservative Association.

A large attendance is anticipated from the Ensign, Kirkcaldy, Vulcan, Champion and Carmanay

Town Remains In Good Financial Condition

The usual small attendance was present at the annual meeting of the Town of Vulcan, held in the I.O.O.F. Hall basement Monday evening, Feb. 10. About 15 ratepayers were present, including members of the council.

J. M. Jamison was elected chairman of the meeting and questions in regard to the financial statement were answered by finance committee chairman M. R. Morrison.

The statement showed the town to be in a healthy financial condition. Despite capital payments of \$17,867 provided out of revenue during the year 1957, the town's surplus account still stands at \$28,618—a reduction of only about \$1,000 from the surplus as at Jan. 1, 1957.

Receipts from taxation during the year amounted to \$81,943, waterworks brought in \$20,197, sewer service charges accounted for \$6,664 and government grants

County School Bus System?

Owners Express Concern Over Mooted Bus Change

A certificate of incorporation was presented to the directors of the County of Vulcan School Bus Owners' Association by President Doug Smith at a directors' meeting held in the county office, Friday, Feb. 7.

Much discussion took place at the meeting on the advisability of the County owning and operating its own school system, which plan is understood to be under consideration by the County Council.

All directors present were in agreement that many ratepayers, with or without school children, had indicated to them that they would rather continue with the present system. Concern of the directors was accentuated by rumors and reports that the County is considering buying and operating all the school buses. The directors felt that the tax-payers should be better informed about such matters.

Plans were finalized for the annual meeting to be held in conjunction with a banquet and program the first week in March. H. Lundgren was appointed in charge of arrangements for the hall and banquet, with President Doug Smith to arrange for speakers.

The town council had been assured by the gas company that the natural gas pipeline to serve Carmanay, Champion and Vulcan should be completed by November of this year.

The mayor noted that education costs kept rising, taking 5 1/2% of all taxes collected in 1957.

The meeting tendered a vote of thanks to the mayor and councilors for their capable efforts in conducting the business of the town.

Forum Discusses Legal Aspects Of Farming

The Gay West Farm Forum met at the home of Mr. and Mrs. Lorne Smith Monday night.

Topics discussed were centered around the legal aspects relative to the farm family and its business. The discussion of the group was that legal advice should be obtained regarding the following:

1. Buying or selling a farm?
2. Arranging for a mortgage?
3. Father and son or family agreements?
4. Contract farming?
5. Expropriations or easements?
6. Wills.

Succession duties, income tax, wills, and widow rights were discussed freely and the group felt that many changes should be made regarding the above.

These changes should be of a simplified nature as it was felt that the rights and regulations pertaining to the above are much too complicated at the present time.

Catholic League Plans Activities

The regular monthly meeting of the C.W.L. was held at the home of Mrs. Nan Burchak on Feb. 6, with Rev. Connolly and 13 members present.

Father Connolly gave a very interesting and inspiring talk on how each unit of the C.W.L. should function and stressed the importance that each Catholic lady in the Parish should belong to the league not only for the help she is giving but most important for the spiritual benefits received through being a member. Four new members were welcomed into the league.

An outline on the Diocesan Conference held in Lethbridge was given by the president, Mrs. Rose Douville.

A motion was passed that the Providence Creche, the Foundling Home in Calgary be given a donation of \$20 together with a layette prepared by the members, which will be presented to the March meeting in answer to the roll call.

The following dates were chosen to hold social evenings in the Parish Hall in the form of a whist and bridge party, the dates being Feb. 16 and March 16, to which the public are invited. Plans were begun to hold a tea, bazaar and bake sale on Saturday, May 3.

At the conclusion of the business Mrs. J. Anderson gave an amusing reading called, "Diet to End Dieting."

A delicious lunch was served by the hostesses, Mrs. Marge McLennan and Mrs. Frances Lefebvre, assisted by Mrs. Nan Burchak. The tea prize was won by Mrs. Lefebvre.

The March meeting will be held at St. Andrew's Rectory Feb. 13.

Curling Highlights

Four Vulcan rinks will take in the Lethbridge Shirtsleeve Bonspiel starting Feb. 17. Personnel of the rinks are Ivan Haga, Howard Spaeth, Bob Haga and Vernal Haga; Fred Mensinger, Bruce McKay, S. Christensen and Carson McKay; B. Drummond, Buster Armstrong, S. Joiner and Andy Knive; Gail Atkinson, Jim Jensen, Evan Munro and Bob Middleton.

The Vulcan Ladies' Curling Club has been well represented at neighboring bonspiels this past week and with a great deal of success as well. At the Gleichen Bonspiel the foursome of Viola Mensinger, Gwen McKay, Irma Middleton and Laura Houlton won second prize in the First Event. At the Milo ladies' opening bonspiel on Feb. 7 and 8, Vulcan rinks won the First and Third Events. The rink of Gail Walker, Thelma Haverty, Mary Haga and Ruth Orchard, won the top event with the rink of Viola Mensinger, Gwen McKay, Irene Crabbe and Laura Houlton coping to honors in the Third Event. At a Stately Ladies' Bonspiel on Saturday and Sunday the Vulcan rink of Hannah Matlock, Ina Ohler, June Wellman and Bea Richardson took part but failed to make the prizes, winning three games and losing three.

Future bonspiel dates to be held at the Vulcan Curling Club are: Feb. 17-18—Local F.U.A. bonspiel. Feb. 21-22—Ladies' Open Bonspiel. Feb. 26—Vulcan Branch Canadian Legion.

March 5—Vulcan Branch B.P.O.E.

Two Vulcan rinks took in the Open Bonspiel at Barons last week with foursome of Jim Jensen, Bruce McKay, Carson McKay and Ross Walker winning their first six games before losing two in a row and winding up with third prize in both the First and Second Events. The other rink comprised of Buster Armstrong, Jim Prentice, Earl Erickson and Omer Haga got second prize in the Fifth Event.

Interest at the local Men's Club is now centred on the President vs. Vice-president draw with a free supper at stake.

Women and the Law

Legal matters relating to farm ownership and operation was the topic of discussion at a recent meeting of the Gaye West Farm Forum at Carmangay. It's a subject that should be of interest to all farmers and their wives, covering such things as succession duty, widow's rights, father-son agreement and contract farming.

The status of women under the law can be quite an eye-opener to the uninformed and the Canadian Committee on the Status of Women, seeking revision of some laws, has published some interesting items.

Did you know that:

1. In Canada, a wife is legally entitled in marriage only to her board, keep and necessities such as care in illness?

2. If a thrifty Canadian homemaker saves any money from her housekeeping allowance, it may be regarded legally as her husband's?

Even if she deposits such money in her own bank account it remains, for federal tax purposes, part of her husband's estate for three years and subject to succession duties.

3. If a wife earns money in her husband's home by keeping roomers or boarders, or by cultivating a garden, legally this money is not her; it is her husband's? If he agrees that she may keep the money so earned or saved, this may be regarded as a gift to her from her husband.

4. A wife's earnings or income in excess of \$250 per year reduces her husband's income tax exemption on a dollar-for-dollar basis? Each child or dependant other than the wife may earn up to \$950.

5. No matter how hard a wife works to help build up her husband's savings, his business or his farm, she is not regarded as a marriage partner in the eyes of the law? Neither is any allowance made for the services of a wife who saves the wages of an employee by working for her husband in his privately owned business.

Overhauling and simplification of some of our laws would appear to be somewhat overdue.

University Scholarships

The National Federation of Canadian University Students, with a membership of 55,000, is concerned over the low number of eligible Canadian students attending university.

Lack of financial resources is the biggest barrier, says the Federation, with the average student having to spend \$1215 a year to attend university. The Federation is advocating 10,000 yearly government scholarships of \$550 each for worthy students who might otherwise be denied a university education. The student's parents or the student himself, through summer employment, would be responsible for the balance of his university expenses.

The idea has merit and is in line with the current trend of thought that direct government subsidies for outstanding students may soon be an accepted procedure.

Mr. and Mrs. Bob Healy and children were Sunday guests at the Champion home of Mr. and Mrs. R. Schultz.

Calgary visitors Monday were D. B. Smith and Doug Smith.

Mrs. Olive MacWha of Edmonton is a visitor in the district this week.

There is a correction in the write up of the 4-H Club meeting in last week's news, and should read that Dave Sim gave a donation of \$20 to the club.

Friends in the district were pleased to see and hear Warden Budd singing over the Lethbridge T.V. station last week. Congratulations, Warden. We hope to see you make another appearance soon.

Mr. and Mrs. William Sharp and family spent Saturday in Lethbridge.

Congratulations and best wishes of her many friends in the district are extended to Mrs. E. Sinclair, who celebrated her 82nd birthday at the weekend.

CARMANGAY

Congratulations to Mr. and Mrs. Jim Gray on the birth of a son, Dwight James, Jan. 30.

Sloane Smith left for Calgary, where he will attend Mount Royal College.

The Masons held a card party on Monday evening. Whist was played, with winners for the evening being Mr. and Mrs. H. Nelson, and the lowest scores went to Margaret Lee and A. Shumaker. All those present enjoyed a very pleasant evening. Lunch was served by the Masons.

Confirmation services were held in the Emmanuel Church on Feb. 2. The large congregation witnessed the confirmation of the following boys by Bishop Calvert of Calgary: Gary White, Brian White, George Star, William Plourd, Morley Bloxham and Brian McIntyre. A reception was held in the Community Hall. Each boy was presented with a hymn book and a confirmation book.

Evening W.A.

The regular meeting of the Carmangay United Church Evening W.A. was held in the basement of the church on Feb. 6, with the new officers conducting the meeting: Mrs. Dora Bond, president; Mrs. Peggy MacDonald, secretary.

Plans were made for an Easter tea on April 1. Mrs. Moore will demonstrate the making of a basket with reed sticks at the next meeting.

Roll call for the next meeting will be to make two items suitable for a bazaar table.

A tasty lunch was served by the hostesses.

Felicity Club

The Felicity Club met at the home of Virginia Smith with seventeen members present. An election of officers was held and they are as follows: President, Velma Jensen; vice-president, Edith Griffin; secretary, Emma Smith. Roll call was a home made Valentine.

Elaine Bateman demonstrated the making of copper jewellery. The raffle was won by Mrs. Doris Davies.

The next meeting will be held at the home of Evelyn Bjornson, and roll call will be to bring a quick recipe.

Priscilla Club

The north Priscilla Club met at the home of Connie Stettner on Feb. 5, with twelve members and two visitors present.

Miss Reid, District Home Economist of Claresholm, held a pre-clinic sewing class. Raffle winners were Martha Nelson and Mrs. Eileen Hurmanen.

The next meeting will be on Feb. 19, at the home of Mrs. Eileen Hurmanen, which will be the birthday party. Roll call will be to take something from the kitchen cupboard and tell about it.

The hostess served a delicious lunch.

Hospital Auxiliary

The Hospital Auxiliary held their annual meeting on Feb. 5, with only five members present.

The baby awards of \$5 each were given out, being Mrs. George Hurmanen of Champion for the first New Years baby and Mrs. Ione Fisher of Champion for being the mother of the smallest baby born in 1957.

New drapes, waste baskets and rugs were purchased for the Nurses' Home.

Because of the lack of interest in the community, a motion was made to keep the old officers and discontinue meeting thru 1958, unless some special need for one arises, and it is sincerely hoped there will be more interest shown by the annual meeting in 1959.

Membership fees were paid. Flossie White won the raffle of which Ena Neilson donated.

Mrs. Ivan Ohler and daughter, returned home from hospital on Friday.

Mr. and Mrs. Don Farney of Calgary were weekend guests at the home of the latter's sister and

FARROW

Now that the cold weather is here the Farrow curlers are really taking advantage of it. Bonspiels are raging all over. The Mossleigh ladies held their 'spiel' last week and it ended with two of our rinks coming home with prizes. The rink of Mrs. Alice Thurber, Mrs. Lorene McWilliams, Mrs. Donnie Watson and Mrs. Muriel Meadows won first in the Second Event and received lovely beverage sets. Mrs. Maddie Huntley, Mrs. Wilma Groeneveld, Mrs. Elinor Percival and Mrs. Phyllis McWilliam got second in the Second Event and received beautiful jewelry sets. Mrs. Wilma Groeneveld also played on a Mossleigh team at the Gleichen 'spiel' but they were not so fortunate. Mrs. Irene Tressider played on the Mike Rayercraft rink in the 'spiel' in Blackie last week, they won third in the First and Second Events. Congratulations ladies!

Ted Percival, Jack Thurber, Bon McWilliams and Charlie Meadows are entered in the Carlsland bonspiel but it is still being played.

Sharon Mammel was hostess to a large group of her friends last Monday in honor of her tenth birthday.

Folks will be pleased to know that Mrs. David Randle is now home from the hospital.

Little Gregg and Linda Percival are down with chicken pox.

Marlene Tressider is visiting with Annie Koster over the weekend.

Mrs. Bernice Paul was in Calgary for a couple of days this week taking the Singer Sewing Course.

Mrs. Tom Rayercraft is a patient in the High River hospital. Here's for a speedy recovery Mrs. Rayercraft.

Mrs. Herb McWilliam and Mrs. Bill Groeneveld attended the joint meeting of the W.I. at Aldersyde last Tuesday to hear Mrs. Carl Alexander of Cayley give her talk on the Dominion Conference of the W.I. held at Ottawa last year.

Others attending from this area were Mrs. Keith McKeague, Mrs. Art Johnson and Miss Florence Cannon.

The next meeting of the Farrow W.A. is to be held at the home of Mrs. Harold Tressider at which time Mrs. Tressider will endeavor to have a speaker give a talk on gardening.

The Farrow folks would like to extend their sympathy to Mr. and Mrs. Milt Brunskill upon the death of Mrs. Brunskill's father, I. Osborne. Mr. Osborne was a one-time resident of this district before moving to Airdrie.

Mr. and Mrs. Paul Randle arrived home from their visit to the U.S. on Saturday morning. They visited Mrs. Randle's relatives and friends at Rochester, Minn., and Hendricks. We're glad your back Mr. and Mrs. Randle and hope you had an enjoyable trip.

EASTWAY

Ruth Marshall entertained several of her friends during the week.

The community welcomes the arrival of two new residents this past week. Stuart and Norah Campbell announced the arrival of Patricia Lee on Feb. 4; then on Feb. 7, Norman and Winnie Marshall announced the arrival of Delores Jean.

Mr. and Mrs. George Gooch and family were Gleichen visitors on Sunday at the home of Mrs. Clarissa Gooch.

The next card party at Union Jack is Feb. 15. Crib and whist will be played. Come and bring your friends.

Sympathy of the district is extended to Mrs. Baldwin on the loss of her sister in Calgary.

Mr. and Mrs. Brian Todd and Miss Moore were Sunday visitors at the Bill Cockwill home.

Mr. and Mrs. McMullen accompanied by Ruby Wyatt were Calgary visitors this week.

brother-in-law, Mr. and Mrs. Ivan Ohler.

Mr. and Mrs. Frank Whitney of Lethbridge were Sunday visitors at the home of their daughter and son-in-law and family, Mr. and Mrs. Ivan Ohler and were leaving on Monday to spend the rest of the winter in the U.S.A.

Mr. and Mrs. Dale Clark and Sharon were Sunday guests at the

Glen McFarland home.

Mr. and Mrs. W. T. Ohler were

out to see their new grand-

daughter on Monday, having at-

tended the Ice Capades in Calgary;

with Mr. and Mrs. Art Cutforth.

DEPARTMENT OF HIGHWAYS

The construction and maintenance of Alberta's roads is a difficult and expensive task due to the vast distances covered and the extremes of both summer and winter climate. The upkeep of an efficient means of transportation is vital to the economic life of the province. Alberta's trucking industry, operators of bus and school van lines ask for better surfaced roads and highways while farmers ask for better roads to established markets.

The construction and maintenance of main and secondary highways and the licensing and registration of motor vehicles, operators and chauffeurs is the responsibility of the Department of Highways.

SURVEYS BRANCH

The Alberta Surveys Act and the Surveys and Expropriation Act are administered by the Surveys Branch. Land required for the construction of highways and other roads and for the Department of Public Works are surveyed by this branch. It arranges for compensation for lands required for highway construction and damage to personal property arising out of such construction. All plans for roads, townships, sub-divisions and townships are arranged by the branch and examination and approval of such plans is required. An accurate record of plans and maps is prepared and preserved. Permits for all right-of-way for oil and gas, water, sewer and power transmission are issued by the branch after examination of plans for such projects.

MAINTENANCE BRANCH

The upkeep and repair of main and secondary highways, construction and maintenance of district highways and roads in improvement districts are some of the duties of the Maintenance Branch. Where assistance in the form of government grants is given for construction of roads in counties and municipal districts this branch supervises such construction. Ferry construction and maintenance, snow removal, repairs to highway surfaces, centre stripping, bridge and culvert repairs, regravelling, erection of warning and railway crossing signs and traffic census are handled by the Maintenance Branch.

MOTOR VEHICLES BRANCH

The Vehicles and Highway Traffic Act, The Motor Vehicles Accident Indemnity Act, The Public Service Vehicles Act and portions of other acts involving the purchase and sale of motor vehicles are administered by the Motor Vehicles Branch. The registration of all types of motor vehicles, drivers and chauffeurs is the responsibility of the branch. Issuing of regulations covering the operation of commercial vehicles in the province and The Public Service Vehicles Act administration are the duties of the Highway-Traffic Branch.

Other services of the Department of Highways include The Bridge Branch . . . The Construction Branch . . . The Locations Branch . . . The Accounts Branch.

MILO

The executive of the Milo Home and School Association met at the school on Tuesday, Feb. 3, to plan the meeting to be held on the evening of Feb. 12, in the school auditorium. It was decided that an electric clock would be given to the room with the largest percentage of parents present. Mothers will be given two points, fathers three points and teachers 5 points. The clock will be moved from room to room each month, and next year at this time it will be given for permanent possession to the room with the best average for the year. Then a new item will be purchased for the next year's contest.

The Milo high school basketball teams played hosts to the basketball teams from Bowness on Friday, Feb. 7. The girls' game was taken by Milo with a score of 29-16. Milo's top scorer was Bonnie Beckner with eight points. The Milo team also took the boys' game. The score was 24-21 in their favor. Beuford Culp and Fred Zaytsoff were top scorers for Milo, with six points each.

Mr. and Mrs. M. P. Schaub and Joyce were visitors at the home of Mr. and Mrs. Anderson in Calgary last Sunday.

Mrs. Lorraine Stumpf, Dougie and Bobby, and Mrs. John Goldthorpe were recent Lethbridge visitors.

The February meeting of the Milo United Church Ladies' Aid was held at the home of Mrs. Rose Anderson on Thursday, Feb. 6. Ten members and one visitor were present. Plans were made for the Valentine bake sale to be held on Feb. 14. Hostesses were Mrs. Ione Umschied and Mrs. Byerla Armstrong.

Ladies' Bonspiel

The Milo Ladies' Bonspiel went off as scheduled on Feb. 7 and 8 with 12 rinks participating. The finals on Saturday afternoon showed the rink skipped by Gail Walker of Vulcan in first place. Second prize in the First Event was taken by the June Beckner rink of Milo; third by Wilene Clifford's Gleichen rink and fourth by the Hilda Teasdale rink of Lomond.

SECOND EVENT

Bea Thomson rink, Milo, first; Marge Hellevang rink, Milo, second; Phyllis Gore rink, Milo, third; Billie Sukut rink, Milo, fourth.

THIRD EVENT

Vie Mensinger rink, Vulcan, first; Helen Thompson rink, Milo, second; Marge Gore rink, Swallow, third; Carol Peterson, high school rink, Milo, fourth.

Many people could retire comfortably on what their experience has cost them.

**Both have a
bank account - and
a purpose for saving**

Nurse and father both agree that some things are too important to leave to chance. So, like most Canadians, each uses a chartered bank for planned saving, making regular deposits to accomplish a definite purpose.

Your own savings plan may be a short-term, modest one — maybe a vacation trip, or new drapes for the living room. Or your goal may be long-range, like providing more security, greater comfort and independence for you and your family.

But whatever use you find for the money you save, you'll always be glad you saved it!

Save at a bank — millions do!

Life Insurance aids Heart Foundation

Many people are making good recoveries from severe heart attacks. New advances in medical science and surgery are saving their lives. However, many more lives may be saved if, through research, the causes of heart disease can be determined.

Research of this nature is a long range project. It requires highly trained workers and the most modern equipment. These cost money.

Last year, with timely financial assistance from the Life Insurance Companies, the National Heart Foundation of Canada began to correlate and step up the tempo of research into the causes of heart disease.

This is just one of many ways in which the Life Insurance Companies in Canada are encouraging medical research that will help Canadians live longer and more happily.

what, when and how much?

These are three very important questions to every farmer planning to use a fertilizer—what analysis should he choose... when should he apply it... and how much per acre should he apply?

Alberta farmers can find the answer to these questions in a new Fertilizer Recommendation Pamphlet, now available from all Elephant Brand Fertilizer agents and sales offices. The pamphlet gives information on the correct fertilizer for all Alberta soil types and major crops, as well as the most effective application rates.

The information contained in the new Fertilizer Recommendation Pamphlet has been compiled with a background of more than 25 years of fertilizer test work and practical experience, on the Prairies. The pamphlet is designed as a service guide for Alberta farmers, to ensure a sound fertilizer investment. Free copies may be obtained from any Elephant Brand Fertilizer agent.

Library Notes

Three fine volumes named, "The Animal Kingdom," have been added to the reference shelf. These should be very helpful to the school children, who are looking up information on animals, fish, mammals, etc.

We have exchanged fourteen duplicate books with the Vulcan Library for novels we didn't have. Some of these are: Days and Nights by K. Simmonov; Brief Gaudy Hour by M. Barnes; Who has Seen the Wind, by W. O. Mitchell; The Song of Bernadette by Frans Werfel; Our Own Kind by E. McCorley; Three Roads to Valhalla by C. S. Stewart; Pastoral by Neville Shute; Unconquered by N. Swanson; Great Son by Edna Ferber; The Inside of the Cup by Winston Churchill. Two "Boy Scouts Books," by Douglas have been added to the boys' shelf. Have you renewed your 1957

membership card? They are still for the small fee of \$1 per single member and \$2 per family membership. We would like to see each family in our town and district a member of this Community Library.

A new addition to our reading room is the fine library reading table, made by Mr. Schneider and the comfortable chesterfield and chair added by Mrs. Fleetwood. We do hope more members will make use of our comfortable reading room.

WESTERN CANADIAN SEED PROCESSORS LTD.

Western Canadian Seed Processors Ltd. Will Build A 200-Ton Oil Seed Extraction Plant In Lethbridge

**Preparation For Construction
To Start At Once!**

PROPOSED PLANT

ROBERT L. GREER
PRESIDENTHUGH H. MICHAEL
VICE-PRESIDENT

This Is Your Opportunity To Put Your Dollars To Work In The Industrial Development Of Southern Alberta

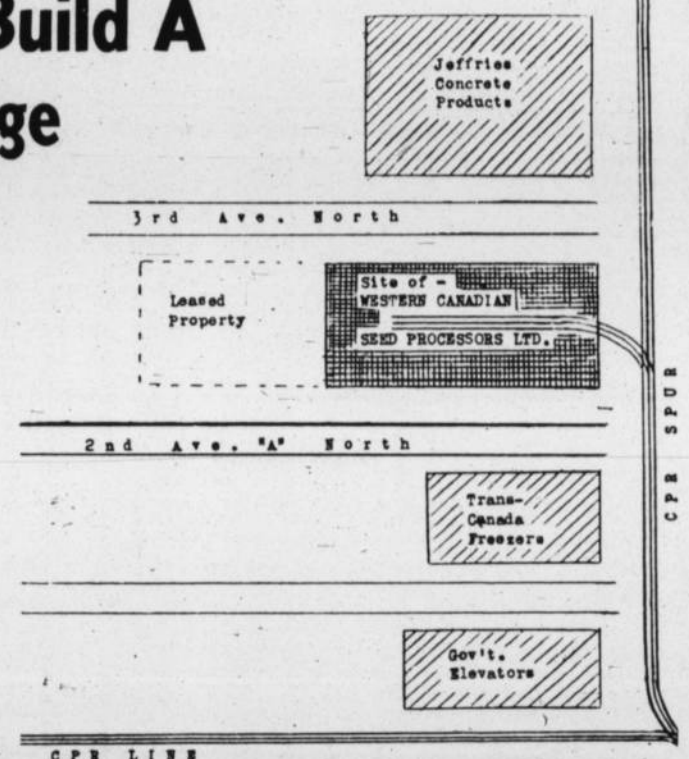

You can play your part as men of vision and enterprise who are building a new economy in the great prairie region of the Canadian West. Factories, such as the Western Canadian Seed Processors Ltd., will supply the need of this great and growing prairie market. The plants that are springing up across Western Canada have as their biggest asset the high freight cost between Eastern Canada and the Prairie Provinces. This presents to the investor in Alberta industry the possibility of top dividend and capital gain.

● This Is What We Are Going To Do . . .

- Provide Southern Alberta with the only vegetable oil extraction plant with complete refining and hydrogenation equipment west of Toronto and north of California.
- Provide a source of vegetable oils in the West, a basic commodity required to manufacture margarine, cooking and salad oils, paints, plastics, linoleums, etc.
- Provide a much-demanded high protein oil meal by-product for livestock feeding.
- Provide full-time employment for at least fifty Southern Alberta people.

● This Is What It Means To You . . .

- A sound investment opportunity with an excellent dividend and capital gain possibility.
- An opportunity for you to share in the profits of this Southern Alberta industry, bringing agriculture and industry together.
- The development of a more diversified agricultural program through the creation of a market for additional special crops.
- Contract growing which will provide a CASH CROP for Southern Alberta farmers, on a minimum area of 120,000 acres, year after year.

The Alston card party and box social scheduled for February 14, has been cancelled.

AUDITOR'S CERTIFICATE

We have examined the balance sheets of the Vulcan Municipal Hospital District No. 19 as at 31st December, 1957, and the statements of operations and surplus for the year ended on that date. Our examination included a general review of the accounting procedures and such tests of the accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion the accompanying balance sheets and statement of operations and surplus present fairly the financial position of the Municipal Hospital District as at 31st December, 1957, and the results of their operations for the year ended on that date.

DATED 30th January, 1958.

BRANT

Brant square dance Friday evening drew a very small crowd of square dancers, partly due again, to the heavy snow and colder condition of the weather. By those who were present, they reported having a good time. Lunch was served following the dance by Brant ladies.

Mrs. Brant Parker was hostess to a surprise birthday party Friday evening, when a few ladies decided to honor her on the special occasion. The evening was enjoyed by playing "500", followed by a lunch and birthday cake supplied by the ladies. Agnes was the recipient of many lovely gifts.

Steve Dixon motored to Lethbridge to attend the three-day Fish and Game Association meeting.

Mr. and Mrs. Wm. Burley arrived home Sunday after spending

a week and a half visiting their friends, Mr. and Mrs. Soll, formerly of High River, who are now living at Osoyoos, B.C., reported having a grand time and were lucky to have good road and weather conditions there and back. With exceptions of a little rain, during their visit.

Miss Wilma Burley was home from Carmangay for the weekend.

Mr. and Mrs. Henry Bateman and family motored to Edmonton for a few days holiday.

Mrs. Steve Dixon is visiting her mother, Mrs. Jack Kennedy of High River for a few days.

The first curling ice for this season will be ready for use, starting Monday with a Green Eonspiel. Curling will continue as long as the ice will last, depending upon the weather.

Ladies' Aid Meeting

Brant Ladies' Aid met Thursday afternoon. Partly due to cold weather and flu, which has been prevalent in the district for the past month, there were fewer members present.

The devotional was given by Mrs. Olsen, followed by roll call, answered by a Bible verse.

During the business session, several items of interest were discussed and carried. The aid will supply the new linoleum for the kitchen floor, which has recently been renovated. Also the cancer drive will be sponsored and given its usual support by the aid.

An auction sale will be held in May this year. Bazaar and tea was decided upon.

After a decidedly long meeting the ladies enjoyed the nice tea and lunch served by Mrs. Karl Christofferson and Mrs. Ed. Auld.

ENSIGN

The Ensign Ladies' Community Club held their monthly meeting on Wednesday, Feb. 5, with 15 members present. The roll call was answered with a 10c fine if there were less than 14 letters in their name; all but two had to pay the fine. The 1958 programs were handed out to all present. Business was carried on as usual. The surprise box was donated by Mrs. Jack Hunter and won by Mrs. A. Fisher. A lovely lunch was served by Mrs. A. Hagen and Mrs. O. Paton. The next meeting will be held on Wednesday, March 5. New members and visitors are always welcome.

A meeting was held at the rink on Thursday afternoon of last week to discuss a pot luck supper. It was decided to have this at the hall on Saturday, Feb. 15; supper to be served from 5 to 7:30. Proceeds to go towards repairing the rink, lets have a good turn out, everyone is welcome.

Friends of Mrs. Bill McFadden of High River were sorry to hear she underwent an eye operation at the Holy Cross Hospital, Calgary. Mrs. McFadden is an old-timer of the Ensign district. All wish her a speedy recovery.

Members of the Ensign F.U.A. Local held a bonspiel last weekend with six rinks taking part. First prize going to the B. Brown rink, players being B. Brown, skip; Jim Massan, third; Bob Haga, second, and Charlie Morin, lead. Verne Haga taking second prize in the First Event. The first prize in the Second Event went to the Harold Hansen rink.

Mr. and Mrs. Archie McIntyre are spending a few days in Calgary this week.

Mr. and Mrs. Roch Morin are now employed at the farm of Mrs. Grace Welsh.

Miss Ruth Brown of Calgary spent last weekend at the home of her parents.

The Ensign Ladies' Aid bake sale which was to have been held on Thursday Feb. 13, has been postponed till a later date.

The Ensign Mutual Telephone Com. held their annual meeting on Monday, Feb. 10, at the Ensign hall. It was decided to ease the No. 19 circuit by converting three of the phones on the 21 line and 2 off the 21 line to the No. 5 line. Election of officers took place, all remained in office except one director. Officers are as follows: President, Eric Thorp; vice-president, Alva Love; secretary-treasurer, David Paton; directors, B. Brown, Bill Turley and Jim

McNiven replacing Harold Hansen. Mrs. Clarence Mote received word last week that her sister (Helen) Mrs. Paul Montgomery of Nampa, Idaho, underwent a major operation and is progressing as well as can be expected. Her friends wish her a speedy recovery.

WILDLIFE AVOIDS VIRGIN FORESTS

A common delusion is that wildlife flourishes most abundantly in virgin woods and that the hunter gets his best reward where the logger's axe and saw have yet to operate. The truth is that in virgin forests animals and birds cannot find an adequate food supply as compared with areas of woodlands, thinned out by periodical cutting. Judicious use of timberlands for industrial purposes produces the most favored habitat for all forms of wildlife.

● Use **FIR PLYWOOD** for the walls and built-ins. These tough, light, genuine wood panels are easy to handle, to apply and to finish.

● Get lovely, low cost ceilings with **EXCEL-BOARD TILES**. They are pre-painted. Staple them on, or cement them to old ceiling board or plaster. These products are easy to cut and saw and hold a neat, clean edge.

● For a clean, colorful floor, use **ASPHALT, RUBBER OR LINO TILE**.

ACCEPT THE OFFER

D. L. Moody told of a Sunday School teacher taking out his watch and offering it to any member of the class that would take it, even asking some by name if they would come and get it. Finally the youngest came forward and accepted it with the words, "Take good care of it and wind it every night, it is yours because you believed my words and accepted my gift." The others said, "If I had only known that wouldn't I have taken it!"

"The gift of God is eternal life through Jesus Christ our Lord. Romans 6:23 Believe His word. 'Believe on the Lord Jesus Christ and thou shalt be saved.'"

adv. Acts 16:31 A.C.F.
